FROM CHAIRMAN DESK

which is rooted in our rich cultural heritage. To be specific it is to improve educational scenario around and to enhance teacher, transaction capacity to eventuate a result oriented preferentiality. To secure the attainment of the set purpose the college has an efficient and committed faculty team, enriched infrastructural facility, attractive classroom make up, equipment laboratories, absorbing

co-curricular facilities encompassed by a clean and bewitching environment. Besides the placement of the College in an area undisturbed by pollution and unwarranted socialistic behavior is also a plus point. We promise a student friendly approach to enable you about to your latent capacities.

> Cordially Yours, CHHAVI SINHA Chairman

MESSAGE FROM SECRETARY

A smen & women, we all owe a duty to the society and to all that comprises a nation. Education is mean to the fulfillment of that duty. Education is a companion, whom no misfortune can depress; no crime destroys; no enemy alienates; no despotism enslaves. At home, it is a friend; abroad, an introduction; in solitude a solace; and in society a light that dispels darkness & brightens humanity to all eternity. So let us all-the management, teachers, students & guardians, Pledge to maintain the afore-said dignity of education by imparting and achieving a scientific, empirical, value-based and techno-oriented education in order to prepare ourselves to accept the new challenge that the modern competitive era has given us & to cope up with the coming circumstances of the socio-economic world with great zeal, vigour & vitality. Bharathi college of Education provides the state-of-the-art infrastructure & modern facility, may it be library, classrooms, laboratories, canteens, playground, lawns & whatever else is essential

for a conductive environment for all curricular, co-curricular & extracurricular activities. We would love to welcome you here & assure you a wonderful atmosphere for your studies. We are indebted to all our well-wisher who deserves a mention for the way they co-operated and motivated us. Wishing all our students brilliant and bright future.

> Cordially Yours, NITIN PARASHAR Founder Secretary

ABOUT THE COLLEGE

Bharathi College Of Education is recognised by ERC, NCTE Bhubaneshwar vide letter No. ERC/7-134.6.10 /NCTE /B.Ed/ 2012/12265 dated 29.06.2012 and ERC/NCTE/ERCAPP502/B.Ed/20 15/31749 Dated-20.05.2015. affiliated to Ranchi University Ranchi managed by "Bharathi Educational Trust" established in 2009. The College provides secondary level teacher training program (B.Ed.). College is Affiliated to the Prestigious Ranchi University which is the sole torch bearer for the colleges in

Jharkhand. The general goal of the Bharathi College of Education is prepare teachers for careers in schools. We have a solemn commitment to address ourselves vigorously to the needs arising from a dynamic and rapidly changing society. We believe in aligning ourselves to the requirement at the new age of teaching conducting research, dissemination new knowledge and developing applications of existing Knowledge. We also believe in preparing life-long learners who are able to apply their knowledge in a cross cultural and diverse society.

Our strength as an institution rests on our ability to function as a contributing member of society. Maintaining quality in our offering is fundamental to our reputation. Our B.Ed. program will continue to reflect the standards of intellectual vitality and excellence. Our trainees will continue to play an active role in the national as well at international arena. We are trying to create a dynamic exciting discovery driven intellectual environment that will draw superior teachers.

VISION & MISSION

e realize that education is fundamental for the complete development of individuals. As a premier teaching institute, we endeavor to harness his inherent potential through meeting the growing needs of higher technical education As we grow, we will expand into new technologies, methodologies, disciplines, resources and even attitudes.

To achieve this Bharathi College of Education will ensure the highest quality of faculty, resources and infrastructure. These will be structured with a focus as academic excellence and versatility in approach that will meet the ever-increasing needs of the students. Supporting this, is the institute's commitment to education. This will encourage and assure students in their pursuit of knowledge.

All this is a reflection of the Institute's responsibility to build a society that is vibrant and growing through knowledge sharing and enhancing.

OUR VISION

Bharathi College of Education

- Academic integrity and accountability.
- Sincerity, dedication & team work.
- Tolerance towards the view of others.
- Intellectual excellence and creativity
- Activities that promote public good, democratic principle of freedom and justice.
- Unfettered sprit of exploration, rationality and enterprise

OUR MISSION

To provide experience –based learning for multifaceted development. To set standards for professional preparation of educational leaders. To foster innovative and responsible integration of technology in education.

To instill the spirit of inquiry through research.

The Campus

Situated in lush green surroundings, the college is as treat for the eyes and the subtle side of you. A library is situated in the campus.

Aims & Objectives

- To evolve as a model institution for teacher education with global standards.
- To turn our trained teachers of secondary and higher Secondary levels of education.
- To arrange Congenial Classroom situation for effective teaching.
- To strengthen professional excellence of the Secondary and Higher Secondary teachers in teaching various school subjects.
- To develop professional responsibilities and performance of the teacher in the Indian context.

- To built not an educated head but an educated heart.
- To enhance the level of confidence of teachers in the classroom teaching.
- To encourage the students in achieving the supreme goal
- of education.
- To strive for excellence and quality assurance in teacher education.

FACILITIES :

- Modern Lecture Theaters and Tutorial Rooms.
- Highly qualified and richly experienced Faculty.
- Well versed Administrative, Technical and Supporting Staff.
- Spacious workshop, Labs and Drawing Hall, air-conditioned Seminar Hall.
- Modern teaching aids like OHP, LCD Projector, AV Systems, etc.
- Spread over 2 acres of a lush green sprawling Campus.
- Modern amenities and Central Cafeterias housed in covered area.
- 24x7 Security arrangements and Medical facilities.
- Modern Hostels for girls in the campus & boys, rooms backed with 60 kv. 24 hours D.G. set, Inverter and green energy power supply and 24 hours water supply.
- Excellent facilities for indoor and outdoor games.
- Well stocked air-conditioned Library with Book Bank facility.
- 24x7 High speed fiber optic internet connectivity.
- Modern digital communication lab.
- Prominently located on NH-75 Ranchi Medinipore
- Resourceful Training.
- Fresher's Welcome Programme
- Annual Culture, Literary and Sports Festival
- Seminars/ Symposia/Workshops.
- Orientation/Motivation Lectures.
- Educational Tours.
- Massive Blood Donation Campus.
- National ECO-System Diversity Conservation.
- Tree Plantation Campus.
- Excellent Transport Facilities.

Programme Learning Outcome and Course Learning Outcome PROGRAM: BACHELOR OF EDUCATION PROGRAMME (B.ED.) Program Learning Outcomes (PLO)

PLO 1: To develop professional and humane teacher and make them reflective practitioners

PL0 2: To develop concepts and ideas of educational theory, teaching competency, pedagogical skills and mastery is subject content.

		practices.

INFRASTRUCTURE

Classroom facility

The Institute has spacious architecturally designed lecture and tutorial rooms. It also has glossy chalkhoards and flannel boards all intact, furnished with adequate modern furniture.

Classroom Ethics

- Passion for teaching learning and Research
- Deeper understanding
- Fluency of Language
- Clarity of expression/thought
- Respects for students
- Disciplin

Science and Mathematics Resource Center

cience is not only knowledge but also an art. This art is explored, experimented & practiced In Science Resource Centre. Science cannot be thought effectively without testing, experimentation & demonstration of the scientific facts. Science Resource Centre is the place & means with the help of which all these necessary activities can be performed smoothly & effectively. Maths Resource centre is a place where students can learn & explore mathematical concepts & verify mathematical facts & theories through a variety of activities using different materials. These activities may be course out by teacher or the students themselves to explore, to learn. to stimulate interest & favorable attitude towards maths. These aims are fulfilled by science & Maths Resources Centre setup in the college. Various experiments are done, model & charts are prepared by the students and extension lectures are delivered by educationists.

CHEMISTR

RESOURCE CENTERS

Psychology Resource Center

In any scheme of study there should be a close integration of theory with practice. We have a curiosity to know intellectual level, interests, aptitudes, personality, adjustment etc. We can know such things about them through their measurement & this measurement is possible through relevant psychological tests. The college has a separate Psychology Laboratory which has sufficient Psychological apparatus, tests, transparencies and CD's which are related to various aspects of human development and teaching learning process for conducting Psychology experiments

Language Resource Center

anguage lab is set up in college because it is not only a place where learners perform language experiments but it is a special lab where language experiments can be practiced by speaking & listening with the help of sound equipment. It recognizes the individual differences and language aptitude of learner. It is self-learning device, designed in such a manner that a student can practice carefully produced pattern of drills. College's lab is well equipped with microphones, LCD projector with screen, CPU & many CD's to learn & speak English fluently.

Bharathi College of Education

Health and Physical Resource Center

Gollege have a fully equipped health & Physical resource centre, it provides ample opportunities for student to indulge in indoor & outdoor sports activities. The students can avail indoor games like chess, carom-board & outdoor games like badminton, volley ball. Our mission is to provide students with adequate resources to excel in sports by creating environment which imbibes an ethics of sportsmanship. College aims to develop professional competence through physical, emotional development for benefit for student.

ICT & ET Resource Center

The college has a newly-renovated state-of-the-art computer laboratory with Internet connection facilities. The laboratory has 16 personal computers with the latest configurations especially for the use by the students. The laboratory is also equipped with Scanning and Printing facilities. The College also has Overhead Projectors, Audio Equipment, a VCD Player & Television, and such other equipments which are often used in the teaching-learning process. The laboratory is looked after by a qualified teaching assistant who also provides technical support.

ABOUT B.Ed

Art & Craft Resource Centre

Well equipped art & craft resource centre is established in college because canvas is the mode to express the inner feelings of students. It is said that colour speak for themselves. Art is soul of life, creativity is cultured with opportunities extended to the students in many forms. All the possible facilities & opportunities are extended to our students to engrave their minds & creativity.

Library

The institution has a well defined set of vision, mission and objectives. The library at BCE companies with them and has an open-access system. The library provides services to the faculty members and students. In this regard, the library is supported by 100's of educational CD's including Encyclopedia Britannica and National Geographic Journals. The library subscribes to 2 international Journals and nearly 30 periodicals including magazines, journals and newspapers. The library is constantly enriched and new material is added to keep abreast with latest changes and advancements in the field of education. For the convenience of the readers, photocopying facility has also been provided in the library premises.

The main objectives of the library are -

- To develop appropriate collection in various disciplines for satisfying the needs of the students.
- To provide reading, lending, reference, information and documentation facilities to all categories of staff and students.
- To support and facilitate the research, learning, teaching and administrative activities of the institution.
- To provide an appropriate and comfortable environment and facilities for the use of Library resources and for individual and group study.

ABOUT BACHELOR OF EDUCATION

Teachers play a very important role in a student's life. To a great extent, it is the teachers who decide the shape of a student's life. So, it is very necessary to be adequately equipped with resources that will make the teacher a perfect role model to the students. To achieve this, B.Ed was introduced, which will teach a person about teaching and the various aspects associated with teaching. Once a person completes the B.Ed Training, then he is awarded with a B.Ed degree. There are some important reasons as to why one should opt for B.Ed course with us-

- Highly Qualified and Dedicated faculty.
- State of the art infrastructure and Facilities.
- A Modernistic approach to education.
- Hands on training
 Focus on "You".
